EUROMEMBRANE

Copenhagen Denmark
12-16 September 2021

Euromembrane 2021 in Copenhagen, Denmark
Tivoli Congress Center 12 - 16 September, 2021

Dear Potential Sponsors,

We are pleased to invite to be part of Euromembrane 2021 and the two associated events EMS Academy and Network Young Membrains.

Euromembrane 2021 is only not the largest but also the most important membrane event in Europe in 2021 with over 800 participants from industry and academia. Furthermore, this will be the first time a Scandinavian country is hosting Euromembrane and it is a special pleasure to welcome Euromembrane 2021 to Tivoli Congress Centre in Copenhagen.

Euromembrane 2021 will be a unique opportunity to showcase your company and institution and support to the success of the event. Furthermore, for the full benefits we combined the sponsoring of Euromembrane 2021 with the sponsoring of 2nd EMS Academy – the membrane school of the European Membrane Society – and the 19th Network Young Membrains strengthening contacts among young researchers.

We are looking forward to welcoming you as one of the sponsors and supporting the success of the event. If you have any question please do not hesitate to contact us.
