# 18<sup>th</sup> Network Young Membrains Meeting Membranes and Nature

25-27 November 2021  
Lund, Sweden

## Preliminary program of NYM 2021

### 25<sup>th</sup> November, Thursday – Lund (Kemicentrum)

---

10:00 – 12:00: Registration

12:00 – 13:00: Lunch

13:15 – 15:45: Pitch your PhD

16:00 – 16:45 – **Lecture** by

- Prof. Frank Lipnizki, Lund University, Sweden on Membrane applications in lignocellulosic Biorefineries

17:00 – 17:15: Welcome to NYM 2021 with Major of Lund

17:45 – 19:00: Visit to the Historical Museum of Lunds University

19:15: Dinner in Lund

### 26<sup>th</sup> November, Friday – Copenhagen and Malmö

---

7:45: Meeting at Kemicentrum, Lund Entrance E for Bus to Copenhagen, Aquaporin A/S

9:15 – 10:00: **Lecture** by

- Asst. Prof. Naser Tavajohi, Umeå University, Sweden on Membrane production

10:15 – 11:00: **Lecture** by

- Assoc. Prof., Mads Koustrup Jørgensen, Aalborg University, Denmark on Membrane fouling characterization

11:00 – 12:30: **Aquaporin A/S** company presentation and tour

12:30 – 13:15: Lunch

13:30: Bus to **Novozymes A/S**

14:00 – 17:00: Visit to Novozymes A/S and company presentation

17:00: Bus to Malmö

19:00: Gala Dinner in Malmö

## Preliminary program of NYM 2021

### 27<sup>th</sup> November, Saturday – Lund (MAX IV and Kemicentrum)

---

9:00 – 11:00: Visit to **MAX IV**

11:15 – 12:45: **Poster session** and lunch

13:00 – 13:30: Introduction to climate change challenges by

- Nahla Maalla and Lina Ahmed, Master students, Environment Management and Policy, Lund University

13:30 – 14:00: **Lecture** by

- Dr. Holger Krawczyk, Novozymes, Denmark

14:00 – 14:30: **Lecture** by:

- Dr. Behnaz Parjikolaei, Arla Foods Ingrediens, Denmark

14:30 – 14:45: Coffee break

14:45 – 15:15: **Lecture** by:

- Dr. Thérèse Krahnstöver, Isle Utilities, Germany

15:15 – 16:30: **Panel discussion**

16:30: Final remarks, Poster Prize, and closure of NYM 2021
